Acid-Stomach Makes Life Miserable For Millions

Dentists tell us that acid mouth causes the eating away of enamel on the teeth, a substance much harder than bone. "Keep the mouth free from acid," they say, "and there will be little or no danger of decayed teeth."

Think of this—you can at once see what an excess amount of acid in the stomach—acid-stomach—means in the way of undermining one's health and strength!

Many people make the awful mistake of thinking that acid-stomach—super-acidity as the doctors call it—merely causes an occasional attack of indigestion, bloat, heartburn, belching, sour, gassy stomach, and similar troubles that can quickly be remedied—and leave no serious after effects. As a matter of fact super-acidity is responsible for a long train of serious ailments. It sometimes creates conditions which baffle the best medical skill. It is a well established fact that most cases of chronic stomach trouble, anemia, stomatitis, gastritis, rheumatism, gout, lumbago, intestinal ulcer, many cases of cancer of the stomach, valvular heart trouble and heart failure find their start in acid-stomach.

The excess acid must be removed. The stomach must be kept pure, sweet and strong, free to digest food properly. That is the only sure way to avoid the evil consequences of acid stomach and to enjoy vigorous, robust health.

A wonderful preparation now makes it possible to quickly remove acid-stomach. It is called EATONIC—a pleasant-tasting compound that you eat like candy.

EATONIC literally wipes out the hurtful excess acid and drives the bloat out of the body. You can fairly feel it work. It is absolutely harmless and no matter how weak or delicate the stomach may be, EATONIC will not cause distress.

The immediate effects of EATONIC are nothing short of marvelous. Almost instantly it relieves that miserable, puffed up feeling after eating, sour, gassy stomach, heartburn, stops food repeating, etc. Makes the stomach feel sweet, cool and comfortable. Enables you to eat what you like and digest your food in comfort. Aids digestion and helps the digestive organs to get full strength out of every mouthful of food you eat. And that is what you must have in order to be well and strong—full strength from your food.

So we say—don't let an acid-stomach hold you back and wreck your health. Don't drag out your days feeling all in, down and out, weak and ailing, lacking in physical power and energy; listless, nervous, irritable and taking only a half-hearted interest in your work. Keep the vital spark flashing. Let every organ, muscle and nerve of your body function in perfect harmony with a strong, healthy stomach. Eat the things you like but make sure you're mentally alert—have pep and punch—the power and will to do things. That's the kind of health that makes life worth living!

Take EATONIC. Then see how much better you feel—immediately! You need this help. And you can get it easily. Your druggist has EATONIC. Get a big box today. It is guaranteed to please you in every way. You have faith in your druggist and you can trust him to make this guarantee good. If EATONIC doesn't please you just take it back and the druggist will refund your money. That is our guarantee.

Within the short space of a year tens of thousands of people all over the United States have used EATONIC. Everywhere they testify to its marvelous power to bring quick relief.

If you are sick and ailing and have tried pills and medicines in vain, don't give up hope of getting well until you have gone directly to the seat of the trouble—the acid-stomach. Don't let another day go by. Get EATONIC at once. If your druggist does not keep EATONIC, write to us and we will send you a big 50c box. You can send us the 50c after you receive it. Address H. L. Kramer, President, Eaton Remedial Company, Cor. Wabash Ave. and 11th St., Chicago, Ill.

Hooray for Banana Peel "Gets-It"

Only Real Way to Get Rid of Corns

Which do you prefer—a corn that pulls or a corn that peels? Buttery or blemished? Only "Gets-It" can get rid of your corns the peel-off way, the blessed way. You don't need a pull.

"Come Never Trouble Me, I Use 'Gets-It'!" Why hump yourself up on the floor and with your jaws set and eyes popping from pain, jerk and goose and cut your corn? Why irritate your toes with some saline or wrap your toe into a big painful bundle with some sticky tape or plaster? Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corns pain go. Wear new shoes if you want. Peel off the corn with your fingers—the whole thing, root and all, clear and clean, and it's gone! Only "Gets-It" can do this. Take no chances. "Gets-It," the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg'd by E. Lawrence & Co., Chicago, Ill. Sold in Jacksonville and recommended as the world's best corn remedy by Armstrong's Drug Stores and Luly-Davis Drug Co.

THE SUCCESSFUL CHURCH

The article quoted from the Denver paper causes one to ask what would make a successful church?

The Minister

The minister should be educated so as to be able to speak intelligently and hold his own with educated men. The more practical his education the better but that is hard to accomplish unless he has many years to give for the purpose. He should keep abreast of the times and discuss the moral aspects of the issues of the day. He should not discuss dry theological themes. There are certain eternal verities to be assumed true and taken for granted. The inerrancy of the gospels and epistles, the divinity of Christ, the virgin birth, the literal resurrection, the need for a new birth and truths that are the keystone to the arch and it is as useless to discuss them as it is to try to prove that water runs down hill or that the sun gives light by day.

The mission of the minister is to save souls and help all men to lead better lives. He should be sympathetic, like the great apostle, "all things to all men that he may win some," mingle freely with his people, enter into their lives, especially be a lion companion with the young, a desired member of their gatherings, and participate in their pleasures and enterprises, mindful of the sick, poor and needy.

Of course, a person like this would be worth \$5,000 a year to many business corporations and if such men willing to work for half that and less are not very numerous no one should complain. There is a lofty spirit of sacrifice in foreign missions or was with such men as Dr. Sturtevant and his fellow workers in the early days but the call to accept a \$12,000 a year from a church is to pay \$2,000 is but a strong.

The Church

The one aim of every true church should be service. How may it best help the needy, the destitute, the down and out, make life brighter and happier for the greatest number and gather them into the fold? An ideal church should be a place where a tennis court, a quiet ground, a building with community rooms, a stage and auditorium for entertainments, a banquet room and kitchen, rooms with games, libraries and the like. It should be such that the people would find there the center of their social life and especially should the young be happy there, taught that religion is not to make our pleasures less but more and it should be such that all persons properly behaved would feel at home there.

The church should be a force for right in the community; not meddling but mingling and guiding affairs aright. By all means it should have a missionary pastor if able, or if not, should have some definite interest in foreign missions. We cannot escape our obligations in that respect. When the Master uttered the great command He meant it and a church should find pleasure in obeying for we cannot say the conditions in China or the uttermost parts of the earth are of no consequence to us. They are.

The People

The prime reason why the church is no greater force in the world is due to the selfishness and love of ease on the part of the people. The service of the Master doesn't offer any bed of roses. He said all who would be His disciples must deny themselves and take up the cross and follow Him but the rewards are infinitely greater than the sacrifice.

As in some lodges there should be regular committees whose specific duty would be to look after sick and needy ones both of the church and others; the genuine church member and all who ought to be church members should be liberal with their means in public and private enterprises; above all ready to tender a helping hand to the struggling ones and the young trying to get a start in life. Their lives should be such that their membership would lead others to have confidence in them.

There are two propositions which cannot be disproved. If we admit the existence of a Divine Creator then the duty to worship Him follows just as much as the duty to pay an honest debt to a fellow man and the only way a man in health and ordinary surroundings can do that is by leading.

First a Cold, Then Influenza, Then Pneumonia

Don't Risk It!

Who knows, when a cold starts, but it will speedily turn into this dreadful influenza, then pneumonia and end fatally?

Why Not Be Safe?

Follow the advice of any doctor. He will tell you that the first thing to do is to take a thorough lavative and keep the bowels open. But pills, tablets and vegetable compounds are only partly effective.

When the bowels are inactive food waste lies in the system, ferments and creates dangerous poisons which the blood, kidneys, lungs and skin pores are overworked to throw off. That gives a cold an easy chance to fasten upon you. Influenza follows—then pneumonia!

Keep your system clean, free from accumulated food waste. Then your blood will be rich, red and full of vigor. It will not be busy throwing off poisons, but will speedily free you from the cold and protect you from the dreadful after effects.

Your druggist has a product called SALINOL that is a more laxative. You can get a bottle for a quarter (larger sizes, fifty cents and a dollar).

Get it today! Be safe! Use it tomorrow morning.

for a year and that the Mauretania is still so engaged. He could not say whether the other two have been withdrawn.

German liners now in German ports Mr. Baker said offer a means of expediting the return of the American forces. Present plans are to use these vessels to carry food to Germany and the Secretary said it might be found possible to make some arrangement under which some of General Pershing's men could be sent home on them. Before sailing for Europe to arrange for the return of the troops, Chairman Hurley of the shipping board said it was the purpose to use ships now idle in German ports. Mr. Baker however, did not indicate today that any definite steps to that end have been taken.

With the removal of the submarine menace the war secretary said it will be possible to bring home many soldiers in cargo vessels. The shipping board is commissioning many vessels from day to day and they will be added to the fleet available for the return of the army.

Sick Back First.

For the next several weeks Mr. Baker expects returning troop ships to be laden with sick and wounded men and those not immediately available for military service as the men who have been discharged from hospitals in France, but who have not fully recovered their strength. They will be organized for purposes of transportation into provisional companies of from 100 to 150 men with the requisite number of officers and will be sent to designated camps to be mustered out. It is assumed that efforts will be made in France to put into each provisional company men from the same general locality in the United States in order to ease the demobilization transportation problem on this side. Secretary Baker also revealed today that a general principle to govern the payment to be made to Great Britain for services rendered by her transport fleet or cargo craft in transporting or supplying American forces have been reached. He said that in conference with Lord Reading the British ambassador it had been agreed that payment to be made by either government to the other for such service would be made on the basis that no profit was to accrue to either Great Britain or the United States.

BEGIN HEARING ON INCREASED CAR RATES

KANSAS CITY, Nov. 25.—Whether the national war labor board has the power to make wage awards and whether the federal court has the authority to increase street rates to put into effect the award, are to be decided at a hearing which began in the federal court here today on the Kansas City Railway Company's application for an injunction to prevent interference to an increase in car fares.

The ruling it is said not only will affect street car companies throughout the country but also will have a bearing on the various other wage awards granted by the war labor board.

The contention of Kansas City, as expressed informally by the city councillor is that the federal court has no jurisdiction in fixing rates and that the war labor board cannot bind the city to increased rates.

BOOM PERSHING FOR PRESIDENT

COLUMBUS, O., Nov. 25.—A campaign for the election of General John J. Pershing, commander-in-chief of the American expeditionary forces in France, to the presidency in 1920, was formally launched in Ohio today by the incorporation of "the Pershing republican league."

PERU WITHDRAWS CONSULS FROM CHILE

Result of the Tacna-Arica Controversy Which is Approaching a Critical Stage—Rioters Do Great Damage.

Lima, Peru, Nov. 25.—It is officially announced that Peru has withdrawn her consuls from Chile as a result of the renewal of anti-Peruvian rioting in Iquique and Antofagasta.

The Tacna-Arica controversy is approaching a critical stage, following the anti-Peruvian demonstrations in Iquique last night. The residences of Peruvians and their business houses are reported to have been stoned and looted. The Peruvian club was closed and the Peruvian consul was forcibly placed aboard the Chilean Steamer Palena, bound for Callao.

The possibilities of hostilities between Peru and Chile was the one topic of discussion in Lima today. It is reported that the Peruvian government has cancelled all Chilean consular executives here.

Iquique detpatches indicate that no indication was made by the Chilean authorities to prevent the anti-Peruvian outbreak altho a strong garrison is maintained at that port. Lima is quiet.

Peruvian Report.

Buenos Aires, Nov. 25.—The Peruvian legation today received the following despatch from the Peruvian minister of foreign affairs:

"After the extra-ordinary outrages at Iquique Saturday during which the property of several Peruvians was sacked, Chilean crowds on Sunday attacked the Peruvian consul at Iquique, Senor L. Hosa, while he was on his way to the mayor to protect against the riots.

"He was carried by force aboard a small steamer anchored in the port. The authorities and the police consented to the outrage and notified the consul that they would not permit him to disembark.

"Upon receiving this notice the Peruvian government has withdrawn its consular representative from Chile."

News despatches received here indicate that disturbances are general in Iquique, Antofagasta and Pisagua, and several Peruvian commercial houses have been wrecked in Pisagua.

A special despatch to La Razon from Santiago says:

"The government has received despatches from Iquique confirming the reports that the entire province of Antofagasta is in a state of agitation against the Peruvians. The arrival of two steamers at the Port of Antofagasta from Callao with many Chilean families on board who seek refuge from Lima, caused reports to be spread that they had been expelled from Peru. Crowds immediately organized great demonstrations against the Peruvians and in spite of the efforts of the police took possession of several commercial houses and Peruvian clubs.

"Apparently the disturbances still continue. The Peruvian consul at Iquique has left for Lima."

FREIGHT WRECK.

A freight wreck occurred on the Burlington just south of the East State street crossing at a late hour last night. On account of a broken flange one car was derailed and the body damaged and one set of wheels from under the adjoining car was also derailed. Engineer Pink and Conductor Steadman were in charge southbound. The track was torn up for a considerable distance. An order was sent to Beards-town for the wrecking crew. Traffic was not interfered with on the north bound track.

VISITORS IN CITY

Mrs. Frank Baker of Evanston and Mrs. E. G. Coon of Rantoul, both of whom are interested in missionary work of the Methodist church, were recent guests at the home of Mrs. E. L. Pletcher. They are to attend a district missionary conference which will be held in Waverly the latter part of this week.

THANKSGIVING!

Bless the Lord, O my soul, and forget not all His benefits. —Psalms Chapter III, 2.
Let us remember and count the many many blessings that God has showered upon us.
Let us thank the Lord for Peace and Plenty in the "Land Thy Lord God has given thee."

Perfect Health is Yours If the Blood is Kept Pure

Almost Every Human Ailment is Directly Traceable to Impurities in the Blood

You can not overestimate the importance of keeping the blood free of impurities. When you realize that the heart is constantly pumping this vital fluid to all parts of the body, you can easily see that any impurity in the blood will cause serious complications.

Any slight disorder or impurity that creeps into the blood is a source of danger, for every vital organ of the body depends upon the blood supply to properly perform its functions.

Many painful and dangerous diseases are the direct result of a bad condition of the blood. Among

the most serious are rheumatism, with torturing pains; catarrh, often a forerunner of dread consumption; scrofula, eczema, tetter, erysipelas and other disfiguring skin diseases; malaria, which makes the strongest men helpless, and many other diseases are the direct result of impure blood. You can easily avoid all of these diseases, and rid the system of them, by the use of S. S. S., the wonderful blood remedy that has been in constant use for more than fifty years. S. S. S. cleanses the blood thoroughly, and routes every vestige of impurity. It is sold by druggists everywhere.

JOHN PHALEN DIED IN SERVICE OVERSEAS

Government Message Brings News that Another Morgan County Soldier Has Fallen.

Another name has been added to the list of Morgan county fallen heroes. Private John Phalen, who was killed in action Oct. 31. This news was conveyed to his parents, Mr. and Mrs. R. E. Phalen, of 211 South Fayette street, Sunday evening, by government telegram. The young man left with Morgan county soldiers Feb. 24 for Camp Taylor and was subsequently transferred to Camp Sherman. He was in the infantry division and was sent overseas in September. The deceased had been a traveling salesman for the Copper Clad Range Co., for a year prior to entering the army service, and prior to that time was in the employ of the Jacksonville Tailoring Co.

The soldier is survived by his parents, Mr. and Mrs. R. E. Phalen, who have two other sons in the army service, Lieut. William Phalen at Camp Greenleaf, Ga., and August Phalen in France.

NOTICE TO THE PUBLIC

Never before in history has there been as good a time as at the present to buy land as an investment. With the war over, business will get on a solid basis. The United States will have to replenish the devastated countries, which is going to take a long time; we have the ships to do our exporting, we have the materials, we have the provisions and the men to put it there. Prices on farm products are bound to be high and land will be higher. That land is a safe investment is proved by large capitalists making inquiries, the last few days, with the prospect of buying large tracts of land. I have farms of all sizes and kinds. Come and see what I have to offer. Also, city property of all kinds, and money to loan.

JOB COATES HAS BIRTHDAY DINNER

Eighty Second Anniversary Is Suitably Observed—A Successful Citizen.

The venerable Job Coates residing near Orleans was 82 years old last Saturday and on Sunday he celebrated the event in the style, his housekeeper, Miss Sue Dickson managing the affair assisted by Mrs. Mary Moore of Lyncville and Miss Nellie Gibbs of the vicinity of Lyncville.

Mr. Coates is a native of England of Dane and Scotch parentage, but left his native land when a young man and went to work with the industry which has always characterized him. He received \$14 a month, which was good pay for work at that time and by frugality, industry and good management increased his worldly possessions to a goodly amount and now owns one of the best farms in the county. He is kindly cared for by his housekeeper and is well enjoying the fruits of his industry.

The guests began to arrive in the morning and all were there in time to enjoy a very fine dinner, the combined skill of the ladies mentioned and it was most completely enjoyed and highly appreciated by the guests.

Since his arrival in this country Mr. Coates has made a number of trips back home and at various times has brought back one table cloth, silver services and other articles and these were used on this festive occasion and praised by the guests. Mr. Coates fully entered into the spirit of the occasion and enjoyed it heartily with friends he has known and esteemed for many years. He is yet in the enjoyment of good health, his sight and hearing are somewhat impaired but his memory is good and he was able to relate many things of the tight little island and from which he came.

Among the guests present were Mr. and Mrs. Edgar Gibbs and daughters, Martha and Nellie; Mr. and Mrs. Edward Barrows; Mrs. Walter of Greenfield; Mrs. Ellsworth Schofield and daughter Estella; and friend Will Cockin, C. A. Johnson, Mrs. Mary Moore, Lorenzo Shirliff, Miss Harriet Andre, R. C. Reynolds, Mrs. Emma N. Doying, L. L. Monahan, Dr. C. A. Obermeyer and wife, Harold Burke, Everett Gibbs, Anna Thompson and C. H. Bennett.

DEATHS

Ham.

Mrs. Ira Ham died at 11 o'clock Monday night at the Red Cross Agency hospital, following a second attack of influenza. Mrs. Ham, whose home is in Shiloh neighborhood, was ill several weeks ago and recovered. On Nov. 11 she was taken ill and her condition has been serious for a number of days. Mrs. Ham was twenty nine years of age and prior to her marriage was Miss Ida Burke of Monticello, Ky. She is survived by her husband and four children. Announcement of the funeral will be made later.

Kinison.

The death of Mrs. Mary A. Kinison, for many years a resident of Jacksonville, occurred about 7 o'clock Monday evening at her home, 604 East Court street, after a lingering illness. The deceased was born in Allegheny county, Pa., Aug. 22, 1849, and came to Illinois with her parents when a small child. She was married to William W. Kinison, Dec. 25, 1857, and they were the parents of seven children. The husband and three children have passed on and those who remain to mourn the loss of their mother are Charles and Helen Kinison of this city, W. H. Kinison of Winchester, and Mrs. W. G. Frank of Kansas City. There are also three grandchildren, Helen Kinison of Winchester and Miss and Richard Funk of Kansas City.

The deceased united with the Methodist church continued through the years. Mrs. Kinison lived earnestly and well and her friendship and kindness will be remembered by many through the days to come.

The remains will be taken by Williamson and Cody to Naples Wednesday morning and interment will be in the cemetery at that town, with the services in charge of Rev. Mr. Haas.

Angelo.

Alfred K. Angelo died at his residence, 326 Fulton street, at 9:30 o'clock Sunday morning. Deceased was born in this city June 21, 1910, and all his life has been spent here. The deceased is survived by his mother, two brothers and one sister: Lillian Angelo, Ivan H. and William S. Angelo. His father, Lee Angelo, died only a short time since. The funeral services will be held this afternoon at 2:30 o'clock at Jacksonville cemetery in charge of Rev. A. A. Todd.

Bolender.

The death of Nicholas Bolender occurred Sunday morning at 6 o'clock at his home, 305 Lockwood Place, as the result of heart disease. The deceased was a son of Mr. and Mrs. Nicholas Bolender and was born in Springfield, N. Y., Oct. 7, 1853. Mr. Bolender has been a resident of Jacksonville only a few months but has gained the good opinion of many local people. He was a member of the Catholic church and always faithful to his teachings. On June 8, 1880 he was married to Miss Julia M. ose in Springfield, N. Y., and the following children were born to them: Matilda of New York; Mrs. John M. Quinn of Los Angeles; Mrs. Etta P. Mac-

The Farmer

Do you know that the man with 40, 80, or 160 acres of land has one of the best and safest investments in the world? He is the Chief Executive and Personal Representative of his estate and his table groans with the luxuries that the millionaire in his palace would envy; for there is the fruits in season, and vegetables without limit or stint and cereals the whole year around, yellow legged chickens, turkey, pig and lamb and beef ever sweet and fresh with a flavor that cannot be bought in the best market, yet, it is the farmer's daily fare.

There are no certain hours that must be at his post or be considered tardy, there is a constant change of scenery and work that keeps him fresh and vigorous; there is time for study and recreation and he can go to town, a picnic, or to the Fair without the thought of his business stopping or being neglected.

He has a safety in his investment that there is in no other business for his land cannot burn up or blow away or rust out but gets more valuable with time and cultivation.

If you want a farm, come and see me.

WARREN McNEFF DEAD AT MT. STERLING

States Attorney Passed Away as Result of Pneumonia—Here Few Days Since on Account of O'Connell Case.

State's Attorney Robinson yesterday received a message telling of the death of Warren McNeill of Mt. Sterling. The deceased was a well known member of the Brown county bar and had served as state's attorney in his home county. Mr. McNeill was in Jacksonville only a few days ago and after his visit here was taken ill with influenza which resulted in pneumonia and his death. His visit to Jacksonville was occasioned by the fact that he was one of the attorneys engaged for the defense of Timothy O'Connell of Brown county, whose trial for the killing of Charles Lent is set for hearing in the circuit court of Morgan county December 2. The attorneys for the defense were Warren McNeill and W. H. Hazelton of Brown county; W. H. Dietrich of Beardstown and W. N. Hairgrove of this city.

The state's case is to be represented by R. E. Vandeventer, state's attorney of Brown county; John E. Wall of Quincy and the state's attorney of this county. It will be remembered that O'Connell killed Lent about a year ago near Versailles in Brown county because of an altercation which resulted from a larceny charge that O'Connell had made against Lent. The case has been continued several months and was brought here on change of venue.

OBITUARY.

Ernest H. Peckloeff died at his home, 851 Clay avenue Friday morning at 3 o'clock. Death was due to pneumonia following influenza from which he had suffered only a few days.

Mr. Peckloeff spent practically all his life in this city. He received his education in the city's schools. He followed the trade of a cigar maker and was last employed at the McCarty-Gebert factory. Early in life he united with the Salem Evangelical Lutheran church and remained a faithful member thereof to the end of his life. He was also a member of the Concordia Mutual Benefit League and of the Cigarmakers' Union. Last March he was united in marriage to Miss Viola Shipley of Mt. Vernon, Ill.

Mr. Peckloeff possessed many excellent qualities. He was an affectionate husband and the mainstay of his widowed mother. He was industrious, generous, kind and friendly, and at all times ready to lend a helping hand.

He was preceded in death by his father, Louis, who died about 12 years ago.

He is survived by his widow, Viola Peckloeff, his mother, Mrs. Sophie Peckloeff, one son, James, and two sisters, Mrs. Herman Brunne of this city, and Mrs. Henry Maure of Springfield, besides many other relatives and friends.

A short prayer was said at the home Sunday morning at ten o'clock, and services were held at Diamond Grove cemetery at 10:30 o'clock, in charge of the Rev. J. G. Kuppler.

Mrs. William Brunne and Ernest Magdani sang "Asleep in Jesus." There were many beautiful flowers and these were in charge of Misses Lydia Hoffman, Laura Brunne and Anna Wiegand. The bearers were Edward Weigand, William and Otto Muehlhausen, William Brunne, Hugo Hemple and Philip Schultz, Jr.

FOR CURING MEAT.

The State Food Administration has issued the following: "The Illinois Educational Division has announced that a rule has just been received releasing Salt-water for use in curing meats. This is of special interest to druggists and to those stores dealing in farmers supplies. "Now that the weather is getting cold and the farmer is preparing to pickle his pork he will be glad to know of this new release of supplies."

PIKE COUNTY BOY DIED FROM WOUND

L. J. Langley Injured by Accidental Discharge of Gun—Brought Here for Treatment.

The death of Larrance John Langley occurred at Our Savior's hospital Monday as the result of shock and hemorrhage attendant upon a gun shot wound the deceased received while out hunting. The accident happened in the Morrison orchard in Pike county about 2 o'clock Saturday afternoon when the deceased was out hunting with James Binge. The injured man was brought to this city for treatment and because of the accident which resulted in his death an inquest was held Monday morning. The jurors were John N. Joaquin, foreman; C. E. Wall, John C. Lair, Charles DeSilva, Joseph E. Stice and John M. Carroll, clerk. The verdict returned was in accordance with the facts already stated.

David Langley and Dr. J. W. Hairgrove were the witnesses examined. The former is the father of the deceased and his testimony was that the son left the family home at Valley City just before noon Saturday to kill rabbits. He was accompanied by James Binge to the Morrison orchard and while they were there the gun which Binge had was accidentally discharged and Langley was shot in the left leg. Binge ran to the road nearby to call for assistance and some one passing in an automobile took Langley to the family home. Dr. Skinner of Griggsville was called and dressed the wound and it was on his advice that the injured lad was brought to Our Savior's hospital. They arrived Saturday night at 8 o'clock and Dr. Hairgrove and Dr. Skinner performed an operation. The father said that he could learn about the shooting that it was entirely accidental.

Dr. J. W. Hairgrove testified that he had been called to the hospital Saturday night and found Langley with his left leg badly mangled above the knee as the result of a gun shot wound. He said the lad's condition was very grave and he seemed bloodless and suffering from shock. Amputation was deemed necessary and death was the result of shock and hemorrhage.

Larrance Langley was well liked by his associates in the Valley City neighborhood and his sudden death has meant a great sorrow to both members of the family and his friends. The remains have been taken to Valley City for interment.

WITH THE SICK

Mrs. J. O. Kirkpatrick is recovering from injuries received a few days since when she suffered a fall at her home on Webster avenue. Mrs. Kirkpatrick slipped on the staircase and was severely injured. Miss Myra Kirkpatrick, who has been ill of influenza, is also improving.

Mrs. F. W. Brockhouse, who has been ill for the past three weeks at the home of her parents, Mr. and Mrs. Philip Hinners, of Meredosia, has returned to her home in Jacksonville.

Miss Nellie Ornelas is again ill at her home on North Prairie street with tonsillitis. She has just recovered from an attack of influenza.

Matthew Wagner, who has been ill for a number of days, has resumed his duties in the store of J. W. Merigan.

Many friends of Charles Masser will regret to know that he is again ill at the home of his parents, Mr. and Mrs. H. H. Masser, southwest of the city. Mrs. W. H. Mains of Chicago, his sister, is here to be with her brother.

RETURN FROM CHICAGO

The death of Charles D. Raymond of Emporia, Kans., occurred recently at Camp Logan, Texas. The young man who was twenty-three years of age, died as the result of influenza, which developed into pneumonia. His mother, before her marriage was Miss Florence Dickinson, at one time resident of this county. Friends of the family here will be very sorry to know of the young soldier's death.

KILLED IN ACTION

Charles Martin, who left for army service with a Greene county contingent May 1, was killed in action in France Oct. 3, according to a message received by his father, S. A. D. Martin of White Hall. The young soldier is survived by his parents, two brothers and two sisters.

EXEMPTION BOARD NEWS

Final Notice Given.

A number of men failed to respond for physical examination when notice was issued. The board realized that since plans were several times changed because of influenza conditions and the signing of the armistice, that there may have been some confusion in dates. Therefore the board has determined that this further notice should be issued before the men are reported to the adjutant general as delinquents. Any person having information about these men will confer a favor both upon them and upon the board by making report of the fact to the board.

TROCO

The Successor to Butter

Made From the White Meat of Tropic Coconuts

WHILE European countries have long used butter made from coconuts, America has perfected the de luxe product. The flavor of Troco is only rivaled by the finest dairy product. The more critical you are the better you will appreciate the quality of Troco.

Your enjoyment of this new delicacy is increased by the thought of its appetizing ingredients. The same dainty white coconut meat you use shredded on cake and pure pasteurized milk is an appealing combination.

The fastidious care used in every process of making is another recommendation. The makers of Troco specialize in this one product.

High Nutritive Value

Troco, like butter, is invaluable energy food of the highest nutritive value. It is as digestible and easily assimilated.

It is not a substitute for butter, but really butter's successor, solving the butter problem for millions.

Old laws, made before this great discovery, compel us to label it as an oleomargarine, but Troco contains no animal oils—and no preserva-

tives—it is made only from vegetable fats and milk—wholesome, natural ingredients. A capsule of the same vegetable coloring used by butter makers supplied by your grocer.

Judge It for Quality Alone

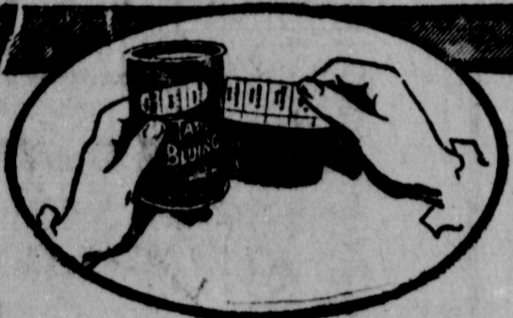

Troco wins users on quality alone. You should judge it from this standpoint only. Compare it to the finest creamery butter you have ever used. Serve it without explanation. The unanimous verdict will be "Please pass the Troco."

Tape Bluening

Prevents Blunders
On Washday

TAPE BLUING isn't in a bottle, so it can't break and stain everything in sight. It isn't in a tube or a rag or a powder, so it can't become lost among the pots and pans and cans in the laundry. It is simply a paper tape. It is measured off in coupons. All you have to do is to tear off a coupon and drop it in the water.

THE union of the water and the tape makes the bluing. And there can't be any bluing until the tape enters the water. Hence, you can't stain your hands, the clothes or anything else. And to save your soul, you can't have too much or too little color. Scientific measurement in our laboratory has provided against that too-frequent blunder.

THIS bluing does the work better than the oldest and best washwoman or laundryman in the world can do it. Science has displaced guesswork. Mistakes are out of the question. Annoyance has gone. Here is your deliverance from every form of aggravation in the bluing line.

AND it's cheap. The little pasteboard box contains enough color for 55 gallons of water—no more—no less. It costs you 10 cents. And you can't waste a particle of it if you lie awake nights thinking of a way. This is the bluing without a drawback.

Ask Your Grocer For It

One coupon for each gallon of water. Continuous tape of 55 coupons in each box. PRICE 10c

FROM COUNTY AGENT'S OFFICE

Dispose of Dead Hogs.—The Illinois Department of Agriculture has issued the following order: "It shall be the duty of the owner or person having charge of any swine, to burn or deeply bury in quicklime, the carcasses of all hogs dying of cholera, and to thoroughly clean and disinfect by a liberal use of air-slacked lime or other standard disinfectants, all yards and feed lots accessible to hogs affected with cholera." If this regulation is not observed, it is in order to notify A. T. Peters, State Veterinarian, Springfield, Ill.

Short Courses in Farm Tractors.—The College of Agriculture at Urbana announces that short courses in farm tractors will start each Monday from December 9, until March 17. These courses last two weeks and are open to any person sixteen years of age or over. If interested, this office will supply additional information.

International Livestock Show.—This is an event that is worth the time and attendance of every farmer who can possibly get away. A visitor will have an opportunity to see the aristocracy of the livestock world judged by men of international reputation. A livestock county like Morgan ought to be well represented at some time between November 30 and December 7.

Inquiries for Corn.—Numerous inquiries for corn have recently been received at this office. These come from Oklahoma, Missouri and points in Illinois farther south. A number of these would like to purchase directly from the producer.

Sheep Industry in Morgan County.—A number of people have started with sheep this season. This is certainly a step in the right direction. Help to make the venture safe by tying up your dog between sunset and sunrise. If this precaution is taken it will certainly save sheep and may save the dog. The only safe dog is one tied up between sunset and sunrise.

ILLINOIS COLLEGE NOTES
The "World Week of Prayer" was concluded by the Young Woman's Christian Association of Illinois college by a simple and impressive Vesper service held at Academy Hall Sunday afternoon. Miss Georgia Fairbank spoke at this meeting enumerating the lessons of sacrifice, co-operation, and Christianity brought about by the war. Voluntary prayers and hymns ended the service.

The program given at the Y. W. C. A. regular meeting Monday afternoon was as follows:

Violin Solo—Miss Anna Frances Bradley.
President Wilson's Proclamation for Thanksgiving—Miss Lucille Bennett.

A Thanksgiving reading—Miss Bennett.

What Thanksgiving Means to Us This Year—Miss Celestine Hemphill.

My Experiences in Social Settlement Work—Mrs. Harriet Parsons.

Vocal Solo—Miss Ruth Armstrong.

The Y. W. C. A. was very fortunate in having Mrs. Parsons address its members. Mrs. Parsons is a woman of very wide experience in social work and her talk was an inspiration to all who heard her.

Ends Stubborn Coughs in a Hurry

For Real Effectiveness, This Old Home-made Remedy Has No Equal. Easily and Cheaply Prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare and really there is nothing better for coughs.

Into a pint bottle, put 2 1/2 ounces of Pinex; then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Either way, the full pint saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the most reliable remedy for throat and chest ailments.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind., Adv.

BRAKEMAN DIED FROM INJURIES

J. R. Ferguson Falls Under Cars at Roodhouse—Died at Hospital in Jacksonville—Coroner Rose Held Inquest.

J. R. Ferguson, a brakeman in the Chicago & Alton yards at Roodhouse, died at assaut hospital Sunday evening as the result of falling under a train Sunday afternoon about 1:20 o'clock. Ferguson had climbed on top of a car to release the brake. A stick he was using for this purpose broke and he lost his balance and fell between the cars. His right shoulder and arm were badly crushed. He was rushed to the office of Dr. Smith in Roodhouse and then brought to Passavant hospital but all efforts were unavailing and death soon came.

The remains were removed to the undertaking parlors of Williamson & Cody and prepared for burial. Coroner Rose was notified and empanelled a jury and held an inquest. The jury was composed of W. T. Cough, foreman; Charles Clement, C. A. Osborne, Robert Clayton, H. C. Busby and H. G. McGill, clerk.

The testimony of F. B. Zerenberg, Yuel D. Ralston, L. A. Dodge, H. C. Carman and Fred Tucker was heard. All of the men are employees of the Chicago & Alton and were near at the time of the accident.

The jury, after hearing the evidence, returned a verdict in accordance with the facts as brought out. Ferguson was about forty years of age and had been connected with the Roodhouse yards since November, 1911, previous to which he was connected with the Burlington road at Galesburg. A widow and four children survive, the youngest about five weeks old. His mother resides at Galesburg. He was a member of the Brotherhood of Railroad Trainmen.

Why I Advertise

Because there are diseases that can be corrected. Because there are sufferers who can be helped. Because experience has proven to me, and to hundreds of others, the correctness of my belief and the soundness of Chiropractic.

My advertising is intended to place before the public, truthfully, what I can and will do, bearing in mind the fact that satisfactory service, and results, is the ultimate test of all work.

Just a few words on the disease called Diabetes Mellitus, one of the most insidious and troublesome, causing weakness, emaciation, exhaustion, yet these cases yield to the skilled Chiropractic.

If a sufferer from any cause, and have failed to find relief, I shall be glad to have you come and talk with me.

VIVID STORY FROM THE FIGHTING FRONT

Kilbourne Man Returns Home After Three Years on the Western Front—Decorated by Foch and Pershing.

Sunday Max Gehring and Wayne Kennett went to Kilbourne, Mason county, to visit their old time friend, Everett Buckley, who was expected home that day from overseas. The whole town was wide awake and on tip toe of excitement over the arrival of a genuine hero who bore unusual honors and when he appeared he received such a greeting as is seldom accorded any man and none too much either for he deserved all the honors paid him and a great deal more. His experience reads almost like an impossible story but he is here to verify it all and could doubtless tell a great deal more than he told his friends but some of it was given and is indeed an interesting story.

Began Career in Chicago.
Mr. Buckley began his career in Chicago where he worked at the trade of a machinist for a time and then went to California where he was employed in such a way that he gained a considerable knowledge of aircraft. When the great war broke out four years ago his sympathies were strongly with the allies and he finally enlisted in the French army in 1916 and desired to get into the aviation department but they had no place for him and he went into the trenches. He and the men in his immediate command were quick and daring and more than one Boche is to their credit. On one occasion his company commander had a squad out reconnoitering and they came suddenly on a command of Germans several times their number. With a wild dash and shout they went for the Hunns with fixed bayonets and as they had unearthed them in close quarters and their dash and vigor stunned the enemy and many fell before the steel of the allies.

At last the remainder cried "Kamerad" and held up their hands but when the allied officer and a few of his command went forward to take them they opened their hands which they had held up and in which pistols were concealed and killed the men approaching them. So enraged were the ones that they fell on the bunch and paid no more attention to "Kamerad" but finished the whole lot. It was Buckley's privilege to stick his bayonet into the villain who meanly killed the allied officer.

Vivid Experiences.
He had a number of such experiences but like nearly all who have been there, was in no haste to tell of them. At last his desire was granted and he was admitted to the aviation department and in due time had charge of an aircraft and sailed aloft. He was almost reckless but knew his bird well and could handle it to perfection. One day he was scouting when he saw two German planes approaching him. His plane was quicker but the Hunns managed to get around him and for a time it looked as if he would not see home and freese again. He curved and dodged but seemingly to no purpose. Finally thinking they had him dead to right the Boches undertook to close in on him when a well directed shot sent one of them spinning to the earth. The other began to think discretion the better part of valor and started

ed homeward and had such a start that Buckley couldn't overtake him, much to his regret.

His commanding officer had been a bit unwilling to let the young American take a plane so soon but the experiences of that day fixed his reputation and he soon sailed away again. His many hair breadth escapes would fill a good sized volume if they were suitably recorded.

Brings Down Hun Plane.

His next experience was more fortunate for him though not so much so for a comrade. The two were scouting and taking observations when they were attacked by three German machines most determined to do away with them. They maneuvered for a good while and finally Buckley's comrade got away with a German filer but almost the next moment his own plane was hit and went to earth in flames.

They then thought they had Buckley dead to rights and went for him determined to do him up and get revenge, evidently for the death of the other plane. As one of them swept too near Buckley sent a shot which disabled the aircraft partly and the aviator, thinking discretion the better part of valor, set sail for camp leaving his comrade alone with Buckley. It was indeed a fight to the death; now one seemingly ahead and now another. A shot tore through Buckley's craft making a hole in his coat and several more perforated it in several places but his aim was too good and he sent his antagonist to earth and he barely made his way back when his machine gave out, descending just inside the allied lines.

Taken Prisoner.
He kept on till he had fourteen Boche planes to his credit but at last he went too far and by over-zealous odds his craft was ridden and went down in flames and he was reported dead, but by some miraculous dispensation he escaped death and was taken prisoner by the Hunns.

He was indeed depressed for well he knew the fate that awaited allied prisoners and his fears were well grounded. However, he pretended to make the best of the situation and at last the guards relaxed a little their vigilance and he managed to escape. Slowly by night he crept through the country hoping even against hope to get away and reach the Swiss border. On and on he went and one night a man pretended to be his friend and offered to care for him but based on his own flying but he was determined to try it again and brought down another.

Twice Decorated.
He wears on his breast two proud decorations; one from Gen. Foch and one from Gen. Pershing. He is weak from his terrible experience but he is almost sorry the war is over as far as he is concerned for he would like to go back and get a few more Boches.

COUNTY BOARD NAMES NEW OFFICERS

Dr. J. M. Wolfe to Be County Physician and Major McDougall Overseer of Poor.

The Morgan county board of commissioners at a recent meeting elected Dr. J. M. Wolfe as county physician. The position was previously held by Dr. W. H. Weirich and since his absence in the military service the duties have been discharged by Dr. P. C. Thompson.

The commissioners also appointed Major C. E. McDougall as overseer of the poor, to succeed J. F. Self, who has held the position for a number of years. These appointments will not be effective until Jan. 1.

GEO. ROGERSON.

HE HAD HIS CHOICE

A short time since a janitor who had been recently appointed was scrubbing the floor of a schoolhouse, not in Jacksonville, when a man stepped into the building and began walking across the wet floor whereupon the janitor remonstrated with him.

"Do you know who I am?" retorted the visitor. "I am one of the school board and will walk where I please. I think that set out with a lordly air but unfortunately stepped on a big piece of coal which, like a banana peel, landed him flat on the floor.

"That's right," retorted the janitor; "sit where you please."

and he crept stealthily along in a way to attract as little attention as possible and at the right moment his trusty knife was again brought out and plunged into the carcass of the guard causing his death before he could give an alarm. Slowly and carefully he stole along the approaching day when he took refuge in a forest till night. He was almost famished but felt it unwise to approach any person and kept out of sight.

Makes Escape to Switzerland.

Next day he came across a field of sugar beets and helped himself and though they were not at all together to his liking he managed to bet along with them pretty well. Finally he met a woman whom he will always regard as an angel. He managed to satisfy her that he was all right and she gave him bread and some other eatables and he so plodded along. Adventure after adventure he encountered and never was a happier man than he when he reached the Swiss border. He was treated kindly and says he will never forget the people who helped him.

He had quite a toime getting back to his command and when finally he appeared among them they were almost ready to cry out that they were seeing a ghost for all they supposed him dead. However he told them if they would give him something to eat he would soon convince them that he was very much alive. He was a hero indeed and officers and men were ready to do all in their power for him and as soon as he could stand the work, and even before he was strictly ready, he was again in the air.

He had the energy of a tiger, for he remembered all he had suffered and was determined to wreak vengeance on anything German. Fate soon favored him and in a contest he had the satisfaction of seeing a German airplane go down under his unerring fire and he returned well high exulting. He tried to persuade him from any more flying but he was determined to try it again and brought down another.

MORE LIGHTS FOR THE CITY STREETS

New Lamps Will Help With Illumination—Final Estimate for Loop Paving.

The Monday session of the city council was very brief, as the department reports were of a routine character. About the only new item mentioned was in Mr. Vasconcellas' department. He was able to report having placed about 165 new electric bulbs for street lighting. Most of these were located in the first ward, where the system has been almost out of commission. Some other lights are still to be placed this week. The money for these bulbs was secured thru the sale of some old iron and other "junk" which had accumulated in the water department. The sale provided about \$125, which was all used for the purchase of bulbs and then not enough were secured to replace all those that have been broken during the past six months.

Mr. Martin reported again the dangerous condition of the old barn owned by George Nunes adjoining the opera house building. The commissioner said it was his recommendation that the owner should be required to prepare this building at once for removal as it constitutes a dangerous fire menace. Mayor Rodgers suggested that the matter be taken up with the city attorney at once in order to learn the exact powers of the council before proceeding. Mr. Widmayer and Mr. White both said they had inspected the property and that it certainly constitutes a fire menace. Mr. White reported some work which had been done in the past week in putting streets and sewers into condition for the coming winter and the commissioner expressed regret that more of this work could not be done before cold weather. However, the handicap of short working force and the lack of funds will be offset as far as possible.

The council passed the final estimate on the loop district paving in accordance with the report made by E. M. Henderson, public engineer. This report showed estimated cost of the improvement to be \$37,045. The amount previously paid the contractor was \$23,100 and the amount now due \$11,533.18. Court costs are estimated at \$1,227.65 and the amount estimated to pay accrued interest on bonds and vouchers was \$1,124.12. The estimate had previously been approved by members of the council sitting as a board of local improvement.

City Attorney Reeve recently called attention of the council to the fact that a new law abolishes boards of local improvement in cities under the commission form, since such boards and the councils are of identical membership. In view of this fact the final estimate was brought before the council for its action. The council adjourned at 11 o'clock.

FINE PRESBYTERIAN GATHERING

The late general assembly of the Presbyterian church in the U. S., at Columbus, Ohio, appointed a new era expansion committee. The several states are likely to have their local committees carrying out this work.

To that end a dinner was given by the Presbyterians of St. Louis to their co-Presbyterians of Missouri and Illinois, and to some others, on Friday evening last, at 6:30 o'clock, at the Hotel Stratler.

After the gustatory part, considering an attractive menu, the speaking began, the Rev. Dr. W. R. King, acting as toast master. Several speeches were made, the leading one by the Rev. Dr. Fowler, of one of the boards of the church, outlining the work, and urging its presentation by his hearers.

The assembly was a body of four hundred men, young and old. In introducing the exercises the toast master asked all present from Illinois to rise and a godly number did so. They being from the vicinity of St. Louis mostly. He then called for those from other states, outside of Missouri, and one or two persons stood. Then he called for the Missourians, and, of course, the majority of those present arose.

Among the Illinoisans present were the Rev. Dr. E. B. Landis, Mr. Ensley Moore and Mr. Dean Cochran, from Jacksonville. A delightful feature of the convocation was the meeting place, the grand banquet hall of the hotel, one of the most beautiful in this country. It is about 100 feet long, 40 feet wide, and probably thirty feet in height. The elevator stopped at the 15th floor; so the friends were pretty high up in the world!

It goes without saying, that being Presbyterians, the gentlemen present were patriotic, so the talk-feast was opened with "The Star Spangled Banner". In view of the occasion, time and subjects, "Onward, Christian Soldiers" was also sung.

FLOYD HARE FOUND GUILTY OF LARCENY

Jury in Circuit Court Returned Verdict so Declaring—Judge Smith Entered Number of Orders.

In the circuit court Monday Judge Smith entered a number of orders and heard the testimony in the case of Lloyd Hare, charged with burglary and larceny. The trial of this case occupied the afternoon and at 5:30 o'clock the jury returned a verdict finding the defendant guilty. Hare was charged with stealing some bacon from the store of Mackay and Davison on East North Street a few months ago. He is an old offender and has often been in the court on similar charges. The state was represented by State Attorney Carl E. Robinson and Hare was defended by Paul Thompson and D. J. Staley, who were appointed by the court for that purpose. The jurors in this case were B. A. Smith, Allison Thompson, C. W. Cully, R. J. Sheppard, L. Zimmer, Charles E. Gunn, John Ornelas, Richard Vasey, Joseph Pulaski, Edward Armstrong, E. M. Milstead and G. H. Cruzan.

Judge Smith entered the following orders:

In the suit of Jean Martz vs. Dayton L. Gilpin, covenant, leave was granted the plaintiff to amend the praecipe and summons.

In the case of Elizabeth S. Spence ex administratrix, vs. Jacksonville Railway and Light Co., leave was given the plaintiff to amend a declaration.

In the case of Clarence Preston vs. Jacksonville Railway and Light Co., a like order was entered and the plaintiff was given the right to amend.

In the assumpsit suit of G. J. Dewell vs. George Rillings, the sheriff was granted leave to amend the writ and damages were assessed in favor of the plaintiff for \$477 and judgment for this amount was affirmed.

Chancery.
In the divorce proceedings of Mattie Trumbo, vs. Frank Trumbo, Walter W. Wright was appointed guardian ad litem. The cause was heard and the decree of divorce granted.

In the case of Goudy Mayfield, vs. Eureka College, proof of service by publication was given and default was entered against the defendants as they failed to appear. The decree was therefore granted in favor of the complainants. In this case Goudy Mayfield sought to set aside the provisions of the will of his sister, Miss Mary Mayfield, on the ground that she was not competent to make the will which among other things listed Eureka College as one of the beneficiaries.

ILLINOIS ATTORNEYS TO HOLD MEETING.

A number of members of the Morgan county bar may attend a meeting of the Illinois State Bar association to be held at Chicago next Friday and Saturday, when the organization will prepare for the period of reconstruction.

The annual reception and dinner of the association to the Illinois supreme court will be given at 6:30 o'clock Friday evening. The principal speaker will be Senator George E. Chamberlain of Oregon, chairman of the senate committee on military affairs, whose topic will be "Compulsory Military Service." Saturday morning there will be an open meeting of the committee on law reform to consider the legislative program of the association during the coming session of the legislature. The organization has already gone on record in favor of revision of the state practice act; the reorganization of the courts; the revision of the courts; the revision of the corporation act; the revision of the probate practice act, and the enactment of a corporation excise tax.

AN IMPORTANT MONTH FOR J. T. OSBORNE

The month of November is indeed an important one for Uncle Jack Osborne. First comes the great armistice date, Nov. 11th; then his birthday a few days later; today his golden wedding anniversary and Thursday Thanksgiving. He has seen a good many momentous events in his life and will doubtless be with his friends a good while yet, a consummation devoutly to be wished.
